\$25,000.00 STOCK OF FURNITURE, RUGS, LAMPS, MATTRESSES, MIRRORS, RANGES, RADIOS, APPLIANCES AT TREMENDOUS SAVINGS. CUT PRICES YOU HAVE SEEN ONLY ONCE BEFORE!

Afraid that the dock strike would not end in time to release our stocks in time for the Christmas rush, we went out and bought up an almost complete new stock. Now that the strike has ended the new stock trucked in must be moved out to make room for the strike-bound shipments. WE HAVE TO REDUCE OUR STOCKS for we simply do not have room in the store or warehouse for the new merchandise. You will find many things being sold at and far below cost. You all remember BURKE'S FIRST DRASTIC CLEARANCE everything was cleared out, space was cleared for the new merchandise and our customers saved a great deal of money. Everyone was happy. This Sale, we promise you will be as great as our last. We can not, of course, list everything that is being sold at this sale. We can only hope to show you convincingly what kind of a sale this will be. Come in early Thursday, look around, compare and see our clearance prices. Stock up now for Christmas, or for the future. There are limited numbers of several items.
